

1: You Are Here

1 Quarantined

YOU ARE HERE

1 keep your eyes closed.
2 trust me, that momentary inconvenience is
3 worth it. You do not want to see
4
5 you're immediately thrust into wonderland.
6 If your eyes are open,
7 if you see
8 you're going to get sad.
9 what's happening ?

1 dark. serious.
2 at the end — you get
3 disappointment.

1 maybe I could look out the window
2 and see
3 I don't know.

1 After a solid night , Imagine
2
3 breathtaking scenery moments of sheer panic,
4 we came upon something I'd never expected .

Fin.
